

“Scholarships Available!”

The University of Illinois will match dollar-for-dollar, scholarships awarded by the Illinois Commission on Diversity and Human Relations (ICDHR) for University of Illinois bound students. For Academic Year, 2012/2013, the University will provide up to \$100,000 in matching funds through its President’s Opportunity for Success Scholarship.

We are seeking to award ICDHR scholarships ranging from \$5,000 to \$10,000 to deserving high school seniors that are admitted to the University of Illinois (any campus: Urbana-Champaign, Chicago, Springfield). The University will match the ICDHR award, thereby doubling the scholarship amount awarded to the student!

To begin the application process for the University of Illinois, visit one of the University’s campus websites: www.uic.edu (Chicago), www.illinois.edu (Urbana), www.uis.edu (Springfield).

After submitting your application, visit the ICDHR scholarship website, <http://www.icdhrscholarship.org>, to see more information and submit your ICDHR application.
